

# NSW Aboriginal Languages Map

## Activities

1. Locate on the map the Aboriginal nation that your town is situated in.

.....

2. Most maps which show the occupation of Australia are have nothing marked on them except for the dots or lines showing where the British explorers went.

What information did these maps not include?

.....

Why do you think this happened?

.....

3. Goldfields were established right across the Aboriginal nations of NSW. On your Aboriginal nations of NSW map find two Aboriginal nations where goldfields were established.
