

Dinosaur bash

I was in group when we performed the *Dinosaur bash* dance.

Verse 1

- We kept the beat.
- We moved smoothly.

We did
this well

We need to
practise

Verse 2

- We remembered to go back to the starting position for verse 2.

Chorus

- We changed our movements when the music changed.
- We remembered to rest after sliding down to the floor.

Repeat of the chorus

- We repeated the chorus.

We also invented our own movements for *Dinosaur bash*. The thing I liked the best about my group's performance was:
