

What do students learn in drama?

Early Stage 1

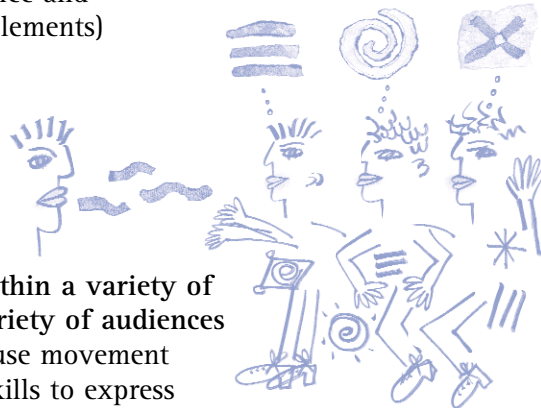

Students are learning to...

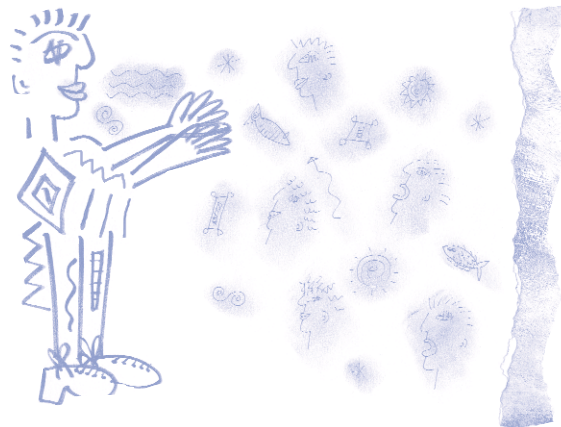

become part of make-believe situations and take on roles
(they begin to use their imaginations to create roles)

work with others to develop drama
(they begin to notice and respond to drama elements)

perform drama within a variety of forms and for a variety of audiences
(they begin to use movement and language skills to express and communicate ideas)

respond to their own drama and the drama of others
(they begin to express feelings about drama)
