

## REQUEST FOR SCORES

Most applicants will receive their child's profile score at the bottom of their outcome advice in July.

If you would like to receive further details of your child's scores in the selective high school placement process, after you have received your outcome advice please complete this form and send it to the Selective High School & Opportunity Class Placement Unit. Contact details are shown below.

Score details will be provided only where requests have been made on this form.

All score requests will be processed together at the end of July and at the end of each month until December.

Responses to frequently asked questions about the calculated profile score are on the Department of Education and Training website at:

Yours sincerely

Magda Pollak,  
**Manager, Selective High School and  
Opportunity Class Placement Unit**

Please send me my child's scores in the 2010 selective high school placement process.

I understand that marks requests will be processed together at the end of each month.
