

ESSA 2009 withdrawal form

Students may be withdrawn from the ESSA test by their parents/carers. This is a matter for consideration by individual parents/carers in consultation with the principal. Withdrawals are intended to address issues such as religious beliefs and philosophical objections to testing.

Signed parent/carer consent forms are required for students withdrawn from the test by their parents/carers. The signed form must be kept by the school. Withdrawn students must be listed on an ESSA 2009 *Log sheet*.

ESSA 2009: Request for withdrawal

School's name _____
