

From Assessment To Programming: Assisting students requiring additional support in reading

© NSW Department of Education and Training 2009
Disability Programs Directorate: Learning Assistance Program

From Assessment to Programming has been designed to assist school learning support teams to develop whole school plans for improving the reading achievements of all students. It is intended for use with students: from stage 1 onwards who are performing below their age/stage level; who scored in the bottom 2 bands of NAPLAN for their year; who were absent for NAPLAN (if causing concern).
