## Student Information

How many students in total are enrolled in your school? \_\_\_\_\_

How many students (including expected enrolments) have already been prescribed an EpiPen to treat anaphylaxis? \_\_\_\_\_

## Training

Anaphylaxis training refers to the additional **specialist\*** training that must be arranged by schools where students are diagnosed as being at risk of anaphylaxis. Such training includes training in the use of an EpiPen.

It is separate from the DET's and/or other education sector anaphylaxis **awareness training** that was conducted in 2006.

Date of last **specialist\*** anaphylaxis training for school staff \_\_\_\_\_

Name of the provider of the last **specialist\*** anaphylaxis training \_\_\_\_\_

Number of school staff who will attend training \_\_\_\_\_

***\*Schools must arrange specialist anaphylaxis training for staff where students have been diagnosed as being at risk of anaphylaxis. (Memorandum: Principals DN/07/00019, 8/1/07)***

***It is strongly recommended that non-government schools arrange for their teachers to participate in Anaphylaxis Training. Schools are advised to refer to their education sector related policies and guidelines along with NSW OH&S legislation.***
