PEMBEKALAN MENGAJAR
An Indonesian resource for senior secondary
by Yolanda Albina and Garry Wilsdon (2006)

Pembekalan Mengajar is a compilation of resources that aims to enhance the understanding of students who are learning the Indonesian language at senior secondary phase of schooling. The variety of materials is under the headings of Lauk-Pauk and Pesantren.

The texts could be reading, listening or a combination of both. There are questions to assess the comprehension of the texts with suggested responses and suggested speaking and writing activities. There are also a number of word puzzles to reinforce the vocabulary learnt.
