

What visual techniques are used in the book?

Title: _____

Author: _____ Illustrator: _____

Technique	Explanation	Page	Example
Objects	What do objects say about characters, and mood? What objects are unexpected, added or left out.		
Size	Main characters are usually bigger. How do the objects fit into the frame of the page?		
Setting	What messages does the setting give to the reader? How is this suggested?		
Colour	Are colours mostly hot, or cold or warm? How do these affect the reader?		
Direction	How is the reader's eye drawn to engage with the page? Is there direct eye contact?		
Position	Is this a distance, medium shot or a zoom in? Whatever is up close is important.		
Camera angle	This a way of showing power: Looking down, looking up from below or at the same level.		
Lighting	This affects mood. How is it achieved at different parts of the book?		
Non-verbal features	Note facial features, clothing, position of hands, etc.		
Medium used	Why might this medium have been chosen? What is the effect of this medium?
