

Rap sheet 4 for Rap point 1

Create your own humorous page or short story based on *Egg drop*.

It's easy!

Step 1: Draw a simple egg.

Step 2: Add 2 legs.

Step 3: Add 2 eyes.

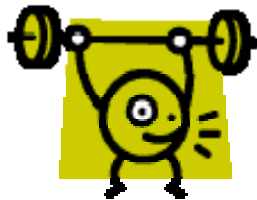

Step 4: Think of a silly activity for an egg.

Step 5: Draw a funny picture that features Egg.

Step 6: Add written text on the page or in a speech bubble.

Step 7: Share your creation with the class.

Step 8: Send it to the rap to share with other rappers. Ask your teacher to email your cartoon to the Rap Coordinator [Cath Keane](#) and it will be posted to the [Picture gallery](#)

A few silly ideas to get you started:

- Have you thought about Egg entering a swimming race?
- What about Egg climbing Mt Kosciuszko or entering a downhill skiing race?
- Just imagine Egg joining the fire brigade.
- Maybe Egg wants to join the Australian soccer team. Just imagine Egg *heading* the ball! How *eggscruciating*!
- Like Mini Grey, you may wish to use collage to create your story.

When you have finished:

- Share your work with your class.
- Scan it to create a *PowerPoint* presentation.
- Send it to the rap to share it with other rappers. Ask your teacher to email it to the Rap Coordinator, [Cath Keane](#). and it will be posted to the [Picture gallery](#)
