

Rap reflection sheet

Instructions: pick your answer from the dropdown lists or type your answer by clicking the mouse to select the empty shaded boxes.

I have participated in a book rap before. I enjoyed doing this book rap because

The author's purpose when writing the book *Granpa* was to tell a story.

The colour drawings in this book show what is happening. The colour drawings in this book show what is imagined.

Click on the boxes that describe what you did during this book rap:

As part of the book rap I have:

- received email messages from other book rappers.....
- used the Internet or email program to read email messages.....
- helped to write class email messages
- typed email messages with help
- Typed email messages on my own.....
- sent email messages with help.....
- I could drag the pictures to the line on Rap sheet 1 with help.....
- I could drag the pictures to the line on Rap sheet 1 on my own.....

The best part of being in this book rap was
