

Rap sheet 6 for Rap point 3

This is the order in which a noun group is developed:

*Article *Pointing word *Possessive	Numberin g adjective	Comparing adjective	Describing adjective	Classifying adjective	Noun	Adjectival phrase	Adjectival clause
The		most	beautiful		dress		that I saw
These	two			Siamese	Cats	on the bed	which are so spoilt
My					friend		who loves cats

Remind students that a clause has a verb and a phrase does not. Adjectival clauses can start with **who** when referring to people, **that** for people and things, or **which** for things only. When an animal is personified in a story it is acceptable to use **who**.
