

## Rap sheet 7 for Rap point (2 b)

### *Two images*

Look at the following two pages and using the questions as a starting point discuss the techniques Matt Ottley has used in these two particular pages and what you think has been achieved.

**Image 1** - page reference: 'For the first time in his life Luke felt at home. Whoever lived there seemed to look at things in just the same way that Luke did.'

- Is the shape of the head realistic? Why or why not?
- Describe the sorts of shapes in the face. How has this been done?
- In which direction is he looking and how can you tell?
- How does the title of this art work relate to Luke?
- What is happening to the bird?
- What could the bird represent?

**Image 2** – page reference: 'Just when Luke felt he could burst with happiness, he found himself flying out into the sunshine ....'

- What is Luke swinging on?
- How do you think the paint has been applied?
- How does this create movement?
- How many colours can you see?
- How has depth been achieved?
- What is Luke swinging towards?
