

**Rap point 3:**

*I do have a conscious strategy to illustrate tangentially, doing something quite removed from what the text is doing without losing the reference, so the mental circuit for the reader is quite convoluted, and therefore exciting (I hope).*  
(Shaun Tan)

**What questions would you like to ask Shaun Tan regarding his choice of techniques in *The rabbits* or other books he has written or illustrated?**

Post your questions to Shaun Tan, once the teacher has approved the final text. Each class group could post five questions, unless otherwise advised by the rap coordinator. In your subject line insert *Questions for Shaun from [insert school name]*.
