

Rap reflection sheet for Rap wrap up

Outcome 11: A student uses, reflects on, assesses and adapts their individual and collaborative skills for learning with increasing independence and effectiveness.

Students learn to:

- 11.5** use individual and group processes to generate, investigate, document, clarify, refine, critically evaluate and present ideas and information drawn from books, the internet and other sources of information
- 11.6** establish and adopt roles and responsibilities, negotiate and implement strategies and meet deadlines
- 11.9** adapt current skills, knowledge and understanding to new situations

Students learn about:

- 11.13** management strategies including drawing up schedules, timing, delegation and sharing in group work
- 11.14** ways of managing information and communication technologies for effective learning
- 11.16** ways in which reflection and self-evaluation can assist learning.

I have been participating in a film rap. We viewed the film, *Whale rider*. During this rap, I have:

➤ Learnt:

.....
.....
.....

➤ The best part about being involved in this film rap was:

.....
.....
.....

➤ My role in the group was to:

.....
.....
.....

➤ I managed the information and time by:

.....
.....
.....

➤ Other texts I would like to see in a rap are:

.....
.....
.....

➤ What I didn't like about the rap included:

.....
.....
.....

➤ Things about the rap I would improve include:

.....
.....
.....

➤ Other comments I have:

.....
.....
